MSUG Steering Committee Responsibilities

Please see the Michigan Skyward User Group By-Laws posted on the MSUG website as you further research information on becoming a MSUG Steering Committee Member. Becoming a Steering Committee Member (as a Trustee or Elected Officer) requires 1) you be in attendance at Steering Committee Meetings 4 – 6 times per year (at the least) to discuss and actively participate in Steering Committee business, 2) to discuss and approve enhancement requests as requested by the PCS Committee Chair and 3) attend annual conferences to assist with any reasonable request made by the Conference Committee Chair. This is a commitment of both your time and expense. Do you have the full support and assurance of your immediate supervisor that they are aware of the value of your contribution to the Steering Committee and will grant release time to meet these responsibilities? If yes, then please do the following:

- 1) Complete this form in its entirety, which includes signing and dating the application below.
- 2) Ask your supervisor to complete the Letter of Endorsement below.
- 3) Mail this completed form to the MSUG Secretary at:
